

FOURTH DAY TALK FOR SECUELAS

Many requests have been received for an outline for the Fourth Day Talk which is given at Secuela's. The following is suggested for use if you are asked to present this talk at a future Secuela.

- **What was significant or had an impact on you on your original weekend?** (i.e. rollo, chapel, mañanita, etc)
- **How have you grown as a Christian since your weekend?** (i.e. piety, study, action)
- **Mention an incident or two where God has worked in your life or led you in a certain direction.**
- **If active in a small group, mention how the group has nurtured you in your Christian walk.**

The talk should be no longer than **6-9 minutes at the most.** (Remember, this is not a rollo.)

It is always acceptable to ask someone to pray for you before you begin your talk, just like the rollistas do on the weekends.

Speak with the leader from your church as to whether or not they would like you to prepare the discussion question. (Discussion questions can either go along with the scripture verse, or with the Fourth Day Talk.)
